

Family online agreement

Creating a family agreement is a way to start conversations about online safety while providing a clear and easy way to show what each person expects and wants when using technology (e.g.. Computers and Ipad).

..... Agree(s) to:

(eg. Ask mum if I can talk online)

SIGNED.....

..... Agree(s) to:

(eg. Before posting a photo of my child I will ask their permission)

SIGNED

We both agree to:

(eg.) review this agreement regularly)
